

CERAMIC EXPERIENCE IN NATURE

Painting (3h)

- ✔ Paint a plate or bowl, ready to be transformed by your imagination
- ✔ Savor a drink as you relax into the rhythm of creation
- ✔ Let your eyes wander across the rolling hills and the silhouette of Sesimbra Castle, embraced by nature

When complete, your piece will be delicately glazed in a transparent finish to highlight your beautiful design, then shipped to your home — a lasting memory of your time here.
