

# THE CANDLE

For this workshop, Emily, from Palmtree Candle Studio will come to Casa Calidris. Together you'll create beautiful scented soy candles and wax wardrobe hangers that combine function, fragrance, and visual delight.

Create a personalized candle that perfectly matches your home vibe and personalized botanical decorations that smell as good as they look.

Optional: you can bring your own heat-resistant container to create an even more personal candle.

## WORKSHOP

WHERE YOU MASTER THE ART OF STRONG  
SCENT THROWS IN SOY WAX CANDLES

Hosted by Emily Merks from Palmtree Candle Studio
