

CERAMIC EXPERIENCE IN NATURE

Creation (3h)

- ✓ Step into the timeless story of Portuguese ceramics
- ✓ Shape clay with your own hands and bring to life a piece that is uniquely yours
- ✓ Savor a drink as you relax into the rhythm of making
- ✓ Let your eyes wander across the rolling hills and the silhouette of Sesimbra Castle, embraced by nature

Once finished, your piece will be carefully glazed in the color you choose and sent to your home — a lasting memory of your time here.
